Interface Changes

Worldbook – Very visual, Homepage is streamlined with important information remaining; screencast tutorials available

EBSCO – Kid Search, Searchasaurus, Student Research Center 5-8, 9-12 are retiring and being replaced with Explora for PreK-5, Explora for grades 6-8 and Explora for grades 9-12; home pages are visual but not the result pages. Looking to see if PreK-5 can get more visual results: screencast tutorials available

Science Online – Changing early August; lots of online modules and virtual experiments

ISearch, CAT, CATJR

Moving towards automation integrated library systems

BLUE Cloud (Best Library User Experience)

- Pervasive consortia cataloging builds massive virtual collections (e.g. Worldcat)
- You don't import data into your ILS, you can access it "in the cloud"
- Your unique contributions flow out to "The Cloud"
- The OPAC is your portal to "The Cloud"

CAT 3.0

- New interface later this summer
- No ebooks or videos on the right side
- ISearch button will include INFOhio ebooks and videos
- Link to view new catalog is in Basecamp

ISearch

- Tabs now default to full text
- EBSCO Research starters
- World Book articles allow you to choose from the different levels of encyclopedias

Instructional Bags

- The Back to School Bags and Blizzard Bags are meant for teachers to use with their classes
- The Beach Bags are tailored for parents to use with their children
- Beach Bags K-3
- Camp INFOhio 3-6

Boot Camp

- Training to Survive the Zombie Apocalypse
- August 4th and 5th
