 - Build Capacity
 - Ensure Sustainability
 - o possibility of a “code-a-thon” to have kids design an app for INFOhio

INFOhio Webpage:

- buttons added to help find features like R4S, IMatrix, Webinars, Curriculum Toolboxes, etc.
- Toolboxes:
 - o linked from homepage under News on right
 - o building toolboxes using ScoopIt!
 - using Scoopit! to curate (primarily) INFOhio resources in to like kind resources
 - text complexity, marshalling arguments, text complexity, college & career readiness, etc. (14 total)
 - eventually these will be put in to content areas
 - taking suggestions for future Toolboxes (email Gayle)
 - make the link to it brighter or more noticeable to increase use
 - need one for Social Studies (NW Ordinance), Constitution, Government, World Religions

State Initiative-3rd Grade Reading Guarantee

- supported by: BookFLIX, Early World of Learning, Searchasaurus, World Book Kids, Discovery Portal, Cat Jr.
- working on getting Book FLIX records in to Cat

- records will be loaded in to ERC (where other ebooks are searched)
 - searchable from Cat (not Cat Jr OR Workflows) & discovery portal
- BookFLIX and Early World of Learning are listed on ODE website as resources :)
- <http://education.ohio.gov/Topics/Early-Learning/Third-Grade-Reading-Guarantee/Third-Grade-Reading-Guarantee-Teacher-Resources>

 - SirsiDynix, EBSCO & INFOhio partnership
 - <http://foss4lib.org/decision-support/discovery-layer-ssm/definition>
 - What research tools and resources will students need 3 years from now?

- Will work much like federated search. One place to search EBSCO, catalog, etc. Uses more natural language
 - Will blend the Discovery Layer for secondary schools and the Visual Search from Cat for the primary schools.
-

**can we fix buttons for resources in INFOhio so the name shows? Perhaps make them bigger, organize them somehow?

← This needs to more prominently say WEBINARS It's not obvious

Group Work

- o Group 1 Discovery Layer (report back)
 - o if we can get this to have all the pieces suggested by the group it will be "the coolest thing in the whole wide world"
 - o If you would like to add comments to the Discovery Layer conversation, please use the form located at:
<http://bit.ly/1alyOpt>

To review what others have added to the Discovery Layer conversation, go to:••<http://bit.ly/18nE2vN>

It is easier to view this if you click on List view.

Both are open to editing and sharing for anyone with the link.

- o We are looking for a few people to serve on a team who will help with the Discovery Layer development and review. If you are interested in serving on this team, please send an email expressing your interest to support@infohio.org
- o Group 2 DVC title suggestions
 - o looking to possibly add Kahn Academy links or Annenberg videos...that are already free to stream on the web
 - o send recommendations to support@infohio.org
 - o the more specific the better: grade level, curriculum area, etc.

Workflows idea:

- use students ALT-ID instead of student ID # for continuous scan
- ability in Cat to limit Reading Level Search to item type
- will there be some way to directly link specifically in to just the grade appropriate items, rather than all the vendor items
 - specific links are available, just not ready to distribute yet.

Mitinet Offer:

\$60/school, will put Mitinet Lexile level, Fontis & Pennel, Award Winners, etc. Contact your ITC for more info.
