

How to Use INFOhio Electronic Resources www.infohio.org/ER/HowToUse.html

This page sorts *INFOhio's Core Collection of Electronic Resources* by grade level, subject/Ohio Academic Content Standard and resource type. Looking at the resource type will give all INFOhio users quick suggestions on where to find the INFOhio resources such as almanacs, atlases and maps, biographies, dictionaries and thesauruses, e-books, encyclopedias, foreign language resources, images and pictures, learning activities, magazines and journal articles, multimedia, newspaper articles, primary source documents, quotations, test practice and tutorials, timelines and Web sites. The username/password* to access the resources for the current school year is:

Username: _____ Password: _____

INFOhio Toolkit www.infohio.org/Toolkit.html

The *INFOhio Toolkit* provides educators with easy to use information about the INFOhio electronic resources. The Toolkit offers INFOhio bookmarks, printable resources, a slide library, help resources and technical support information to ensure Ohio educators continued success with INFOhio resources throughout the year. The case-sensitive password to open any protected documents for the current school year is _____. The *Toolkit for Promoting INFOhio Resources to Parents* is available at www.infohio.org/Parent/Toolkit.html.

Research Project Calculator www.infohio.org/projectcalculator

The Web-based *Research Project Calculator* can assist students and teachers with the research process. Simply provide a starting and due date for the project, and the Calculator will help organize the assignment step by step, along with helpful process suggestions. The *Research Project Calculator* offers a project rubric and teacher support materials to provide teachers with easy to use lessons for all aspects of the research process. This tool can also assist teachers in planning for assignments that involve writing an essay or report, creating a PowerPoint® presentation or producing a video.

Professional Development Opportunities www.infohio.org/Educator/training.html

Participate in various interactive video conferences, online courses and webinars designed for classroom teachers, librarians, curriculum coordinators, guidance counselors and technology coordinators.

Digital Video Collection www.infohio.org/DVC.html

Ohio's Area Media Centers (AMC) *Digital Video Collection* (DVC) is available to all Ohio K-12 schools at no cost to districts, educators or students. This collection was made possible, in part, through a Library Services and Technology Act grant awarded to the AMCs by the State Library of Ohio. Funding to maintain and increase the DVC is provided by the AMCs. The DVC is hosted by INFOhio. Use the current *INFOhio Core Collection* username and password, if prompted.

Go Further! www.infohio.org/PreparingOhioLearners.html

INFOhio's *Go Further With INFOhio! Initiative* is just one component in a larger collective of statewide organizations, initiatives and programs that are essential to affording Ohio students with the best possible education and opportunities. INFOhio is dedicated to providing tools and resources to help students succeed in reaching their future goals, including general resources, educator resources and librarian resources.

*Due to license agreements, the username/password may NOT be published where it would be available to the general public. Therefore, it cannot be posted to on any Web page that is publicly accessible or included in any publications that are distributed to your entire community.
