

Selected bibliography for "Are You Encouraging Student Success Through Inquiry?"

~ Liz Deskins, November 2010, for INFOhio Webinar

At AASL conference last year I heard David Loertscher say this:
"Without inquiry, there is no reason for school libraries,
Without evidence, it is just another opinion,
Without vision, you walk in darkness; we need a learning centered vision,
Without teams, there is limited capacity for change (building teams and partnerships)." ~ Recorded by Liz Deskins
