Summer Fun with INFOhio Electronic Resources

What are you doing this summer?

Playing	Traveling	Swimming	Studying??
Hobbies		Hanging out with friends	

Sounds like fun...but sometimes things just don't work out! The family vacation is cancelled or you're just bored with doing the same old thing! Here's where your computer can come in handy. This summer, go to the INFOhio home page at _____

Britannica Online School Edition

- Check out **Learning Materials** in the right frame to find lots of fun (and educational) games and activities. Select your grade level and favorite subject and have fun while you're learning!
- Plan the family vacation for next year! Put in the name of a state, country, or landmark you'd like to visit...dream big! You can take a "virtual vacation" to California, the Pyramids or the Taj Mahal. In addition to the articles, you will find links to Web sites, magazine articles, and in many cases, even photos or short video clips!

SIRS Discoverer Deluxe - Click on **Activities** in the lower right corner:

- Select **Art Projects** and create something fun alone or with friends.
- Check **Food Projects & Recipes** to fix something yummy for your family.
- Learn **Jokes & Riddles** or **Magic & Tricks** to entertain your buddies.
- Click on **Plays to Perform** and find a play to rehearse and present with your friends, brothers & sisters, pesky cousins...

American National Biography

- If you ARE going on vacation, find out what famous people came from your destination city. (Remember, people must have died and have a tie to America to be included.)
- Find out what famous person was born on your birthday or the legends of your favorite sport.

EBSCO host Periodical Index – Select your grade level...remember, you're now officially in the next grade!

- Find out even more about your favorite sport, hobby, or vacation destination.
- Check **Encyclopedia of Animals** from Primary or Middle Search to learn about animals in your backyard or exotic locations...pictures too!
- Follow what's happening with your favorite rock group or singer.
- Keep up-to-date with what's happening in the world...your teachers will be dazzled next fall!

OH! Kids

- Click on your appropriate age-level: **WebKids** (ages 7-9) or **WebTweens** (ages 9-11).
- You'll find lots of fun activities and links to your favorite Web sites.
