

ELECTRONIC RESOURCES PRICE LIST 2007

Version 6.3 – November 5, 2007

INFOhio, in conjunction with the Management Council of the Ohio Education Computer Network (MCOECN), is pleased to offer, for the ninth year, discounted pricing for the following electronic resources to all schools in Ohio. INFOhio selects resources that support the curriculum of Ohio's PreK-12 schools and offers a wide range of products from **30** vendors, representing **132** individual products.

Price List 2007

The INFOhio Electronic Resources Price List 2007 contains vendor pricing and ordering information. Visit the vendor pages online for full product descriptions linked from the left menus on the INFOhio Web site using Educator, Library Staff and Parent buttons. The direct URL is <http://www.infohio.org/ER/ERpreview.html>. Changes to ordering information is posted on the online vendor pages. Prices are in effect for school year 2007-2008, unless otherwise noted. Where applicable, educators are encouraged to seek clarification from vendors on definition of simultaneous users, the number of simultaneous users included in the package, and the cost to increase the number of simultaneous users.

These databases are best utilized through an Internet connection using the World Wide Web. Questions about Web connectivity should be addressed to your local Instructional Technology Center or your local Internet service provider. For ITC contact information, select the *About INFOhio* link, click on *Organization*, and then go to *ITC Directory*.

INFOhio Core Collection Plus

In addition to the products available in Preview 2007, the INFOhio Governing Advisory Board coordinated a statewide cooperative purchase program for selected products from Grolier (Scholastic), ProQuest and Thomson Gale. Ohio schools were surveyed in late 2006 for interest in the *INFOhio Core Collection Plus*. The survey results were shared with the three vendors, and the prices for six products are listed in this box. Based on the results of this year's *Core Collection Plus* program, additional vendors and products may be available for 2008-2009 purchases. All prices reflect *Full Time Equivalent* student population. **Required** order forms were on vendor's Preview 2007 pages.

Grolier Online (Scholastic) Prices were effective through September 1, 2007

Social Studies Package, Grades 4-12 - \$.70 per FTE \$250 minimum required

Complete Package, Grades 2-12 - \$1.38 per FTE \$750 minimum required

ProQuest Information and Learning Prices were effective through September 1, 2007

SIRS Researcher - \$1.25 per FTE \$600 minimum required

CultureGrams - \$.55 per FTE \$300 minimum required

Thomson Gale Prices were effective through September 1, 2007

Student Resource Center-Gold - \$.99 per FTE

Population ≥ 3,000: Maximum = \$3,000; ≤ 750: Minimum = \$750

Opposing Viewpoints Resource Center - \$.90 per FTE

Population ≥ 1,400: Maximum = \$1,400; ≤ 800: Minimum = \$800

Preview 2007: January 15 - March 15, 2007

INFOhio's online preview, Preview 2007, makes each resource available to students, their parents, classroom teachers and library media specialists to review and evaluate for purchasing decisions. Join the online preview:

<http://www.infohio.org/ER/Preview2007/Summary2007.html> for the eight weeks between January 15-March 15, 2007.

INFOhio Electronic Resources Core Collection

INFOhio, using funds provided by the Ohio General Assembly and the Library Services and Technology Act, makes available to all PreK-12 schools 15 online resources. While an excellent beginning collection, these products do not represent a comprehensive collection of electronic resources for today's schools.

Special Note: INFOhio continues to work with the State Library of Ohio, OhioLINK (academic libraries), and OPLIN (public libraries) through the statewide initiative *Libraries Connect Ohio*, to provide state-supported access to several electronic resources. If additional funds become available and new resources are offered, INFOhio will require a vendor to reimburse any individual school for any unused portion of a subscription, should a statewide contract provide the "same" electronic resource.

Disclaimer: INFOhio provides the Online Preview 2007 for evaluation purposes only. It is our desire to provide you with quality resources to review and possibly purchase at a discount. However, inclusion of a product in the Preview does not guarantee such quality and is not an endorsement of any product over another.

Preview 2007: Evaluation All educators, students, and parents are encouraged to complete INFOhio's online evaluation form for Preview 2007. A link to the online survey is available from each participating vendor page. Deadline: April 16, 2007.

Turnitin

The Management Council of the Ohio Education Computer Network has negotiated special pricing for Ohio schools with iParadigms, LLC, for those interested in **Turnitin** software. For more information and prices good through June 15, 2007, see the [information packet](#). This four-page PDF may require the same password as this *Price List*.

Visual Thesaurus

Cost: Web
The Visual Thesaurus Online Edition licensing cost: Base Price of \$300 per school plus 35 cents per student (based on total student population).

Special offers for INFOhio:

Multiple schools within a district may order together, through one purchase order, and pay only one \$300 base price. If the total number of students exceeds 5,000, the cost per student will be less. As an example, an order for several schools totaling 10,000 students would cost: \$3,150. Subtracting the \$300 base fee, the cost per student is only 28.5 cents.

Districts ordering for all schools/all students will receive a 10% discount. All orders received by March 15, 2006, are eligible for an additional 10% discount. Multi-year discounts are available upon request; unless a multi-year license is requested, licenses are for one-year terms.

Cost: CD-ROM

The Visual Thesaurus Desktop Edition is delivered via a hybrid CD-ROM (PC or Mac). Institutional orders receive one media (CD-ROMs) per 10 licenses.

The base price for one CD-ROM (Educational Pricing) is \$29.95

Class/Lab Packs are available at any size. Sample prices are as follows:

CD-ROM/Desktop Additional Unit	List Price	Cost per
1	\$29.95	\$17.50
5	\$99.95	\$16.00
10	\$179.95	\$14.66
25	\$399.85	\$14.00
50	\$749.85	\$12.99
100	\$1,399.35	\$5.85

Special Offers for INFOhio:

By ordering for several classrooms or schools at one time, you may achieve a much lower aggregate cost per unit. For example: Five schools with one 25-lab in each school can purchase 100 units for \$1,399.35 (\$13.99 per computer).

Note that each order will come with one media for each 10 units, unless specified. Additional shipping costs may apply where more media is requested. One ship-to address is allowed per order. INFOhio districts interested to order desktop units may apply 50% of the desktop purchase price towards online licensing. All orders received by March 15, 2006, are eligible for an additional 10% discount.

Contact Merave Szmer for specific quotes.
