

World Book Online- Beyond the Computer

No internet? Not enough devices to go around? Trying to limit screen time? No problem! We have plenty of printable activities that can be done off-line. See below for some ideas, recommended, ages and where to access the material.

For Pre-K to 1st grade, go to

WORLD BOOK®
EARLY LEARNING

For grown ups

Print out activities to complete on paper! Choose from Mazes, I Spy, Connect the Dots, or Find the Differences.

Click on **Activities** ———> choose **Print and Do** and take your pick from 250+ printable activities.

Read a story!

Click **For Grown-Ups** in the top right corner of home page → scroll down to **Guided Reading Program**. All stories can be printed as a foldable book. Lexile levels are on the cover of each book.

Create a whole lesson! Combine both suggestions above--> printable book #24 "Race the Raindrops" could be printed, folded, and sent home with the maze activity, "Help the Boy Get Out of the Rain".

For Elementary School, go to

Complete an activity or science project.

- From the home page, click on **Activities** or **Science Projects** → select from categories shown like **Craft Room** or **Crack the Code** in Activities, and **Machines** in Science Projects.
- These are all printable, simply click on the gear wheel on the top right of the page and choose print.
- *Some of these come with lesson plans found under Educator Tools.*
- *These range in age - some are young enough for Kindergarten and others are old enough for Middle School.*

Articles

- All World Book articles can be printed using the same gear wheel in the top right corner of each article.
- To find articles by standard, click on **Educator Tools** → **Curriculum Correlations**. Use the filters to choose subject and grade level. Standard strands will be listed → click on the blue hyperlink to be taken to an article or activity for that strand.
- Articles can also be printed in over 103 languages.
- Print an article and annotate the paper copy.
- Take it a step further by analyzing tables, maps, and graphs printed with an article, or print the discussion questions found under **Related Material**.

World War II

STANDARDS | MEDIA | **RELATED**

World War II (1939-1945) was the most destructive war in history. It killed more people, destroyed more property, and disrupted more lives than any other war in history. It probably had more far-reaching consequences than any other war. The war brought about the downfall of Western Europe as the center of world power. It led to the

Momia

Las momias son cuerpos de muertos que han sido por lo menos una momia egipcia.

Los antiguos egipcios creían que después de morir el mismo cuerpo en el otro mundo, así que deseaban descomponerse o se pudrían. Miles de años r

Los científicos saben cómo los antiguos egipcios. Primero, sacaban todas las partes internas del cuerpo. Los egipcios ponían el cuerpo en unos productos que se descomponían y lo ponían en un sarcófago de madera o de piedra. La momia estaba en el sarcófago, la colocaban en ropa, alimentos y joyas. Los antiguos egipcios c
