

Re-Imagining the Research Paper (Helpful FREE Cloud-Based Tools)

1. Planning Research

- Bubbl (<https://bubbl.us/>) - requires account creation
- Mind 42 (<http://mind42.com/popular>) - requires account creation
- Quicklyst (<https://quicklyst.appspot.com/>) - requires account creation
- The Outliner of Giants (<http://www.theoutlinerofgiants.com/>) - requires account creation

2. Performing Research

- Google Scholar (<http://scholar.google.com/>)
- TEDtalks (<http://www.ted.com/>)
- DocumentaryTube (<http://www.documentarytube.com/>)
- Stitcher (<http://www.stitcher.com/stitcher-list/>)
- iTunes (<https://itunes.apple.com/us/genre/podcasts/id26>)

3. Managing Research

- Diigo (<https://www.diigo.com/>) - requires account creation; Chrome Extension recommended
- EasyBib (<http://www.easybib.com/>) - account creation & Chrome Extension recommended
- Scrible (<http://www.scrible.com/>) - requires account creation; Chrome Extension recommended

4. Publishing Research

- WordPress (<https://wordpress.com/>) - requires account creation
- YouTube (<https://www.youtube.com/>) - account creation recommended
- Blogger (<https://blogger.com/>) - Google Tools account required
- Prezi (<http://prezi.com/>) - account creation recommended
- Weebly (<http://www.weebly.com/>) - requires account creation

5. Sharing Research

- Google Forms (<https://forms.google.com>) - Google Tools account required
- Symbaloo (<http://www.symbaloo.com/>) - requires account creation

6. Evaluating Research

- Doctopus - GoogleSheets Add-On - Google tools account required
- Goobric - Google Chrome Extension - Google tools account required
