

GALE eBOOKS

INVEST IN YOUR FUTURE

It's more important than ever to start planning the future. Access this financial literacy collection of full-text eBooks with titles to help students learn how to make the best financial decisions in the present and plan for a strong financial future. *Gale eBooks* enables you to comb through collections in a single search. You can translate content into over 40 different languages and easily download files.

Why wait?

Access *Gale eBooks*, available from INFOhio today.

Product screen capture as of July 2022. Actual interface may vary.
