Options Lead to Opportunities

The mission of the GoLearn Collaborative Course Catalog is twofold: to expand the educational opportunities of Ohio students in their current school, and provide a new way for Ohio educators to increase class enrollment by offering real-time, interactive instruction on subjects that matter.

GoLearn provides educators with opportunities to fill open seats through the collaboration of Ohio school administrators and counselors. Its diverse selection of courses is populated by schools throughout Ohio, offering everything from core subjects to unique electives. Whether a student needs an interesting new challenge or just to graduate on time, the right course can be found at GoLearn.

Ready. Set. GoLearn.

How can GoLearn create opportunities in your school?

Let's talk about it.
