*These resources are funded in part by a federal IMLS Library Services and Technology Act (LSTA) grant through the State Library of Ohio. Additional funding is provided by Libraries Connect Ohio partners: INFOhio, OhioLINK, and OPLIN.
**These resources are funded through Future Forward Ohio.
***Every student has access to INFOhio resources thanks in part to funding provided by the Ohio General Assembly through the Ohio Department of Education.
+ISearch includes the school library catalogs for those schools using INFOhio's Library Services Platform. For more information, contact support.infohio.org.

INFOhio

OHIO'S PreK-12 DIGITAL LIBRARY

Vision

Each Ohio PreK-12 student has equal access to high-quality digital resources for a successful education and future.

Mission

INFOhio transforms student learning by providing equitable access to quality resources and cost-effective instructional and technical support for each student, educator, and parent in Ohio.

INFOhio resources help students master early reading and math skills, establish background knowledge, and learn research skills needed for college or the workforce. To support students in using INFOhio's resources, educators often must look beyond the grade bands to find the best. As experts in their students' needs, educators are essential in choosing the right instructional materials. INFOhio encourages Ohio educators to select instructional materials for students, adding a personal touch to the informed evaluation, selection, and collection of the best resources to meet students needs.

Solving Real Classroom Challenges

INFOhio works closely with ITCs, ESCs, regional agencies, and local district curriculum staff to solve real classroom challenges.

Providing High-Quality Professional Development

Visit www.infohio.org/campus and choose from asynchronous classes and webinars to earn contact hours, badges, and Ohio Approved hours.
