

# Hidden Gems in World Book Student

## Math & Science Games

Find educational games on relevant Math & Science articles throughout Student. Additional games can be found under the "Media" tab of the article. A full list of games with discussion questions, vocabulary words, and a link to the article is available on the Training Guide Site Map.

## Trivia Quizzes

Choose from 6 different categories. Test student knowledge or make it an interactive group activity!

## Graphic Organizers

Easy-to-download graphic organizers are found under **Educator Tools**. Pair them with an article to guide student learning.

## Featured Media

Take a virtual field trip with our 360-degree images. Step-inside places from around the world under featured media at the bottom of the homepage.

## Browse by Subject

Found under "Advanced Search" this feature compiles articles on a given topic in one easy-to-access place.
