

Hidden Gems in World Book Early Learning & Kids

Early Learning Basics

We pulled together content in one easy-to-access spot of **Early Learning**. Everything here is focused on the basic building blocks of the elementary curriculum, such as learning letters and numbers, basic math concepts, learning to read. Check out "Welcome to Reading," the guided reading program complete with lesson plans!

Games & Activities

Early Learning and Kids both have fun, engaging, educational games and activities!

Lesson Plans

Ready-made lesson plans to accompany many of the activities, games, and science projects can be found in **Kids**. Look under **Educator Tools**.

Books in Spanish

Visit the stories center of **Early Learning** and select the ñ to view books in Spanish. All titles can be read aloud with a word-by-word highlight!
