

Reading Level / Reading Program Title List

Purpose:

Create a list of items in your library for a specified reading level with selected reading program: Accelerated Reader (or Reading Counts)

Location:

INFOhio tab > CAT: Shelflist

Setup options:

a. Basic tab – change report name and title to reflect purpose of report:

asic	Search	String	Title Selection	Call Number Se	election	Item Selec		
		_		\bigcirc				
teport name ccelerated Reader report 1.0 to 1.5 level								
Des	escription: A shelflist form printout of every item in the catalog.							
Title: Accelerated Reader report 1.0 to 1.5 level								
	Footer:							

b. Search string tab

How can you determine what the search string should be? Do a search for the specifics in your OPAC, Reading Level search. Note the "string" set up by the OPAC search, this is how you will enter in Workflows report, eliminating the quotation marks and "word – keyword". Search:
