Using Reading Program Search

The screenshot shows the CAT Jr. interface with a green header bar. In the header, there are four icons: Search (magnifying glass), Visual Search (apple and zebra), Reading Programs (book with a yellow circle containing '1'), and ISearch (power button). To the right of the icons, it says 'TEST Franklin Elementary (envn47)' and 'Home of the li'l cats'. The main area has a 'Go Back' button (left arrow) and 'Help' (question mark) and 'Logout' (red X) buttons. The central search area has two radio buttons: 'Reading Program Search' (selected) and 'Lexile Score Search'. Below these, there is a 'Reading Program:' dropdown menu with 'Accelerated Reader' selected (callout 3). Below that are two input fields: 'Reading Level: 0.0 to: 12.0' (callout 4) and 'Reading Points: 0.0 to: 99.9' (callout 5). Below these is a 'search term:' input field (callout 6). At the bottom of the search area is a green button labeled 'Show Matching Books' (callout 7).

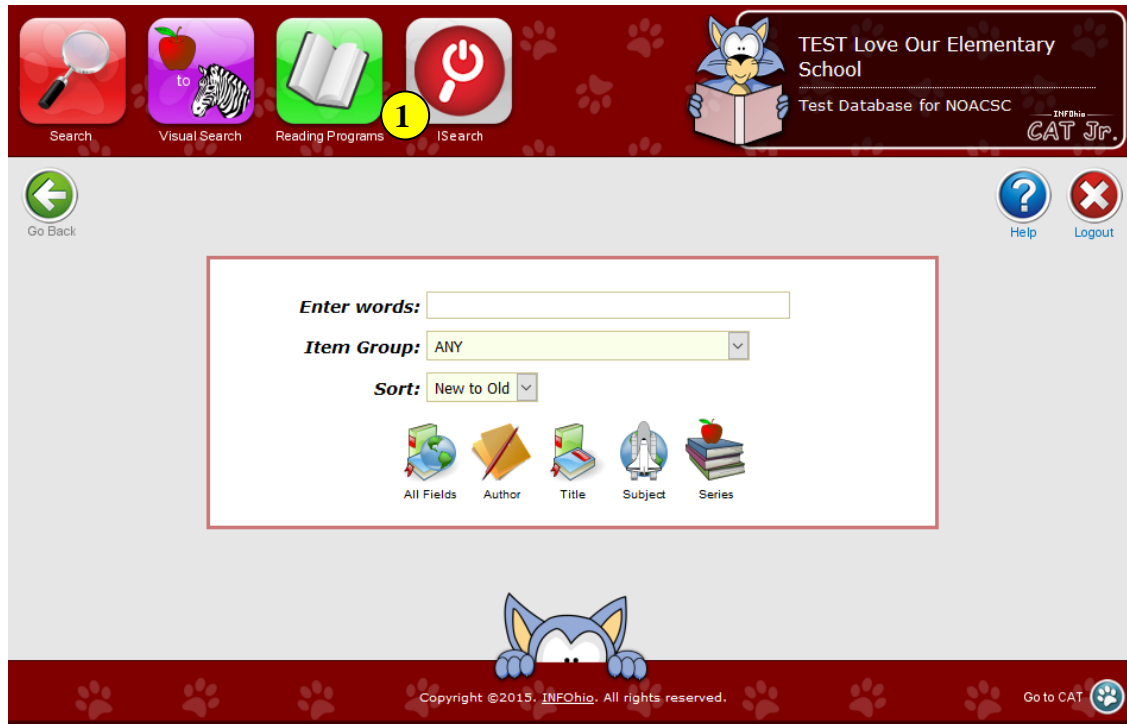

1. Click on Reading Programs Search.
2. Select Reading Program Search button or Lexile search button.
3. Use the little arrow to choose Accelerated Reader or Reading Counts.
4. Use the entry box to choose your reading level.

Reading Level: to:

5. Use the entry box to choose points you want.
6. Type your search term.
7. Click 

Using ISearch

1. Click on Isearch
2. Type a topic into the Search box.
3. Click Search.

The screenshot shows the INFOhio ISearch interface. At the top, there's a search bar with 'baseball' entered. Below the search bar, there are tabs for 'My Library', 'Encyclopedias', 'Basic Sources', 'Advanced Sources', 'STEAM', and 'Open Access'. The 'Encyclopedias' tab is selected and highlighted with a yellow circle labeled '4'. On the left side, there's a 'Limit Search Results' section with a 'Format' filter. The 'Only Show Available' option is selected and highlighted with a yellow circle labeled '5'. The main search results area shows '144 Results Found'. The first result is 'Baseball' by Ray McClellan, which is highlighted with a yellow circle labeled '6'. The result details include the call number, material type, author, summary, publication date, lexile, reading program, and electronic access information.

4. Check the tabs for Search results.

- My Library
- Encyclopedias
- Basic Sources
- Advanced Sources
- STEAM
- Open Access

5. Use the limiters on the left to narrow and refine your search.

6. Click the title to learn more about that item.

- See if the item is available and where it is located.
- If the option is enabled, you can place a hold, add to My Lists, email, or Print to Screen.

The screenshot shows a table of search results. The first row is highlighted. To the right of the table, there is a dropdown menu with the following options: 'Select an Action', 'Place Hold(s)', 'Add to My Lists', 'Email', and 'Print to Screen'. The 'Place Hold(s)' option is circled in red.
