

INFOHIO EARLY LEARNING PORTAL CHOICEBOARD

Using the INFOhio Early Learning Portal...

Create Stations

Cover multiple standards or dive into one concept.

- Use Early World of Learning eBooks, videos, and pictures at one station (computer or tablet).
- Tell a story using Princess Fairy Tale Maker or Super Hero Comic Maker at a station (iPad).
- Answer a Bedtime Math puzzle or Relationships puzzle at a station (computer or tablet).

Find an eBook

Read to practice skills or introduce a concept during story time.

- Share a fiction and nonfiction pair from BookFlix.
- Project a Unite for Literacy nonfiction title.
- Watch a Read Out Loud read-aloud.

Supplement Intervention and Enrichment Time

Practice skills for mastery or enrich knowledge for growth.

- Play Word Wagon on the iPad to practice letters and sounds.
- Play Fuzz Bugs to practice sorting and counting.
- Use Wizard School to challenge learners.

Play a Digital Game

Engage early learners and build cooperation during circle time.

- Learn more about animal tracks with Peep and the Big Wide World.
- Identify what animals belong in a habitat with Preschool Animals.
- Explore plants and animals in Wild Habitats.

Send Home the INFOhio Early Learning Portal Parent Handout

Create a Product

Share it electronically with parents. Develop curiosity and build problem solving skills.

- Make a digital painting on ABCYA Paint and email it to parents.
- Use Draw and Tell to write a story and record it for parents.
- Tell a story using Princess Fairy Tale Maker or Super Hero Comic Maker at a station (iPad).

Share a Video

Illustrate a concept. Build media literacy by interacting while viewing.

- Watch Big Bird cooperate and then talk about what he did to show it.
- Watch Peg + Cat figure it out and pause to talk about what the characters are learning.
- Learn about tasty foods with Storybots and ask students their favorite vegetables.

Get Kids Moving

Get involved and practice healthy behaviors.

- Watch GoNoodle videos - speed it up, and then slow it down.
- Play the Stop Light Game and stand up or sit down to show when to stop or go.
- Practice the alphabet with Usher and assign students letters.

Practice Writing

Help motor skills and precision.

- Practice writing letters using ABC Kids Tracing and Phonics.
- Develop simple drawing skills by watching Ready Set Draw!
- Make a poster with ABCYA Paint.
