

INFOhio's Beach Bingo Challenge

- ★ Working with a parent, sibling, grownup, or friend follow the directions on each square.
- ★ After you complete the activity, share what you learned with a parent, sibling, grownup, or friend.
- ★ Challenge yourself to complete all the activities to make a BINGO!
- ★ Celebrate your BINGO and grab a certificate and digital badge at <http://bit.ly/IBeachBingoBadge>.

Activities for parents and caregivers engaging kids in accelerated summer learning.

Help Sea Turtles

- » Read the article, "Jellyfish or Plastic Bag?" with a parent, sibling, grownup, or friend.
- » Find out what is happening with our trash.
- » Share some ways that you can help sea turtles.

Explore How Whales Stay Warm

- » Learn how marine mammals stay warm even while spending most of their time in water that can be as cold as 40-degrees Fahrenheit.
- » Discover how blubber keeps whales warm with this experiment.
- » Ask a parent, sibling, grownup, or friend to help you set up this experiment with a few household items.

Befriend a Jellyfish and Seahorse

- » Watch *Peanut Butter and Jellyfish* in BookFlix.
- » Play the game Which Came First? to test your story recall.
- » Share with a parent, sibling, grownup, or friend the character you liked best and why.

Try Dinner|time for Whales

- » Watch the video *Nifty Home Experiment* and learn how whales eat.
- » Try it out for yourself! Test how whales eat without teeth. Ask a parent, sibling, grownup, or friend to help you use items you can find in the house and talk about what happened.
- » Use your observations to describe what you learned.

Discover the Kings of the Ocean

- » Listen and read the nonfiction book, *Kings of the Ocean*.
- » Draw a picture of your favorite predator from the book.
- » Share some facts about this predator with a parent, sibling, grownup, or friend.

Find Out What You Know About Oceans

- » Think about how much water covers the earth.
- » Discover the smallest creature in the ocean.
- » Challenge yourself with this quiz all about oceans and learn the answers.

Test Your Ocean Knowledge

- » Challenge yourself to this fast-paced game to name all of the continents and oceans on Earth.
- » Share this game with a parent, sibling, grownup, or friend and see if they can beat your score.

Learn About Earth's Oceans

- » Read, listen, and learn about Earth's oceans in this PebbleGo Next article.
- » Discover which ocean is the largest.
- » Share what you learned with a parent, sibling, grownup, or friend.

Choose a Sea Creature

- » Open World Book Kids, click "World of Animals," and click the "Fish & Sea Creatures" category.
- » Choose a sea creature and click "Learn More." Click "View the Article" to read about it.
- » Draw a picture of the sea creature you learned about.
